Platforms & Tools: HubSpot CRM | Slack | Zoho Remote Access | DocuSign | GCP/AWS VM access via RDP | ChatGPT | Canva

PROFESSIONAL EXPERIENCE

MWORK LLC

Sep 2023 - Jun 2026

IT Administrator / Sales Operations Specialist

- Managed user access, account administration, onboarding, and day-to-day IT support for 20+ remote sales representatives, keeping distributed sales operations connected and productive.
- Administered company email and VoIP systems, completing user provisioning, access changes, and troubleshooting to maintain reliable internal and customer communication.
- Produced daily and month-to-date sales reports and maintained spreadsheets, contracts, documentation, and confidential digital records, giving leadership dependable operational visibility.
- Maintained CRM records, coordinated customer communications and appointments, and tracked service follow-ups so information and next actions remained current.
- Supported the Sales Manager through calendar and meeting coordination, correspondence, document preparation, and structured follow-ups that linked leadership priorities with daily team execution.

TeleTech (TTEC)

Nov 2018 - Aug 2023

Customer Support Representative | Technical Support

- Diagnosed hardware, software, connectivity, and service issues through structured troubleshooting while working within service-level expectations.
- Supported customers through inbound phone calls and email, resolving concerns involving accounts, billing, products, sales, and technical issues within one service environment.
- Protected CRM data quality by verifying customer information and documenting each interaction, action taken, and resolution for consistent case continuity.
- De-escalated complex concerns through clear explanations and guided troubleshooting, then coordinated with cross-functional teams when cases required additional support.
