janmarkbasan14@gmail.com | +639935743840 | Portfolio: <https://janmarkbasan-portfolio.vercel.app/>

PROFESSIONAL SUMMARY

Executive Assistant and IT Administrator with 7+ years of combined experience in executive support, customer service, technical support, sales operations, and remote team administration. Skilled in calendar management, user access, Microsoft 365, Google Workspace, CRM platforms, VoIP systems, reporting, and workflow improvement. Organized, dependable, and trusted to handle confidential information while keeping leaders and distributed teams productive.

CORE COMPETENCIES

Executive & Calendar Support, User Provisioning, Access Management, Employee Onboarding, IT Troubleshooting, VoIP Administration, CRM & Data Management, Reporting & Documentation, Customer Communication, and Process Coordination

PROFESSIONAL EXPERIENCE

MWORK LLC

Sep 2023 - Jun 2026

IT Administrator & Executive Assistant

- Supported 20+ remote sales representatives and managed their system access, user accounts, onboarding, and day-to-day technical needs.
- Provided executive administrative support through calendar management, meeting coordination, correspondence, document preparation, and follow-ups.
- Administered company email accounts and VoIP systems, including user provisioning, access changes, and technical troubleshooting.
- Prepared daily and month-to-date sales reports and maintained accurate spreadsheets, contracts, documentation, and confidential digital records.
- Coordinated customer communication, appointments, CRM updates, and service follow-ups while working closely with internal teams.

TeleTech (TTEC)

Nov 2018 - Aug 2023

Customer Support Representative | Technical Support

- Handled inbound and outbound customer support for account, billing, product, sales, and technical concerns.
- Diagnosed and resolved hardware, software, connectivity, and service issues while meeting service-level expectations.
- Maintained accurate CRM records, verified customer information, and documented every interaction and resolution.
- Used active listening, empathy, and clear troubleshooting steps to de-escalate concerns and deliver a positive customer experience.
- Collaborated with cross-functional teams and consistently worked toward quality, productivity, and customer satisfaction goals.
